

Disney Cruise Line's Coco Cadillac

SKYLINE LOUNGE

Recipe came from bartender Bonnie on the Dream. It's his original recipe that he entered into a cast member contest and won, so it ended up on the menu. Delicious.

Ingredients

- 1oz Midori
- 1oz Coconut Rum
- 1oz pineapple juice
- Whipped cream

Directions

1. Combine ingredients in a shaker with ice.
2. Strain into martini glass.
