Welcome to Tracy Arm

Tracy Arm Fjord is located in the Inside Passage approximately 45 miles south of Juneau. Cruise ships wind their way through the fjord which is located in the Tongass National Forest. The surrounding mountains are approximately 7,000 feet high and numerous waterfalls, created by melting snowcaps, can be seen along the route. The Twin Sawyer Glaciers, North Sawyer and South Sawyer, are located at the end of Tracy Arm. Wildlife is abundant and native animals include but are not limited to whales, sea lions, bald eagles, black bears and mountain goats. Due to the microscopic sediment or glacial flour, the water is a glacial blue.

TRACY ARM NARRATION

Tracy Arm view and narration available on Decks 4, 9 and 10. The narration can also be heard on Channel 25.1.

Narration is at maximum levels permitted by local regulations and may seem quiet. Narration will also be broadcast on channel 25.1.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
