MAZATLAN OVERVIEW

Historically Mazatlan was frequented by pirates who allegedly buried their loot in the coves along the coast. The town remained sparsely populated and was not incorporated until 1806 when a group of enterprising Germans settled here. Today, Mazatlan is involved in international trade as it has the largest shrimping fleet in Mexico.

Visitors will discover that Mazatlan is not as flashy as some of the other resort towns along Mexico's coast, so it maintains its character... while offering guests relaxation and entertainment in a pleasant seaside setting, with its magnificent 10 mile long ocean front highway and beachfront boardwalk. Getting around is fun and easy. Taxis are plentiful however they are not metered

so be sure to agree on a price beforehand. Watch out for the open air "Pulmonias" that are a transportation tradition!

A variety of shopping opportunities await in the "Zona Dorada" or Golden Zone which attracts families of all ages because it offers a well-rounded entertainment experience. Resorts and the beach on one side and shopping on the other. Whether shopping for local souvenirs such as Vanilla and Silver or something more exotic, you are guaranteed to find treasures to please everyone.

Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.

Safety Ashore Information While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
