PORT OVERVIEW

The U.S. government acquired Key West from Spain in the early 1800s and most locals made their living as wreckers and pirates. Eventually the economy turned to shrimping, fishing, sponging and cigar-making and by the early 1930's Key West was recognized as a resort town when hotels, restaurants and bars sprang up around the island. For about 6 months business was wonderful until a hurricane tore up the railroad and rendered

the island helpless until 1940, when the naval station was recommissioned. Today the #1 business is tourism. With its balmy weather, the island is famous for its diving, fishing, and golfing. But only in Key West does the sun shine the brightest when it sets. Everyone gathers for the Sunset Celebration on Mallory Dock. Visitors discover that modern Key West is a warmhearted place where all are welcome.

About Key West

There are over **EIGHT HUNDRED** keys, stretching more than 180 miles.

In Key West, **CONCHS** are people born **HERE**. You're considered a conch if you've been a local for at least **SEVEN YEARS**.

Key West is known as the **SOUTHERNMOST CITY** in the **CONTINENTAL US** as it is **CLOSER TO CUBA** than **MIAMI**. 90 miles to Cuba. 150 miles to Miami.

The **OVERSEAS HIGHWAY** is a 113 mile stretch, connecting a string of keys and coral rock. Completed in 1938, the aptly named **SEVEN MILE BRIDGE** is the longest, most scenic and the most **FAMOUS SECTION**.

Key West is often referred to as the **CONCH REPUBLIC**. This is because in 1982 the citizens advocated for secession - **WHICH NEVER HAPPENED**. Today, the Conch Republic Independence Celebration takes place every April with playful but irreverent **CELEBRATIONS** and **PARTIES**.
