## WELCOME TO CABO SAN LUCAS!

The area of Cabo San Lucas was originally inhabited by the Pericues who were a Native American tribe known for their skillful weaving and extensive knowledge of irrigation. The first explorers of the area were Hernan Cortez in 1535 and Juan Rodriguez Cabrillo in 1542. Pirates used the area as a provision stop and hiding place after attacks on the Manila Galleons. After the Spanish treasure-galleon, the "Great St Anne" was captured; King Phillip of Spain ordered an establishment of a fortress at Cabo to rid the waters of the "undesirables." The founding of the fort opened the area up for exploration and at the end of the 19th century the exportation of bark from the palo blanco tree made the area a main shipping port. Today, the warm waters, the beaches and the abundance of world-famous sport fishing motivate a great number of vacationers to visit Cabo San Lucas.
