Travel Safety Tips

While you will find many great experiences in Mexico's ports of call, as in any large city you'll want to take some basic precautions to make the most of your time ashore.
•Be aware of your surroundings at all times.
•Avoid short cuts, narrow alleys or poorly lit streets.
•We recommend that guests only visit the downtown shopping areas and other tourist locations.
•Leave valuables in your room safe and avoid carrying large amounts of cash. Credit cards are widely accepted in Mexico.
•Exercise caution when using ATMs. Only use ATMs inside banks or in well policed areas.

•Cameras and handbags should be carried out of sight and secured to your person with a strap.
•Leave passports, air transportation tickets and other travel documents in your room safe. If necessary, it is best to carry a photocopy of your passport when going ashore.
•Renting a car comes with significant safety risks and is not recommended.
•If traveling by taxi, use only licensed taxi operators.
•In general, use the same level of precaution you would use in any tourist destination.
•You may also wish to consider going ashore with one of the many organized group Port Adventures.
