Nassau Port Information

While you will find many great experiences in Nassau, there have been reports of increased crime, including assaults and robberies involving tourists in the area. As in any large city, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times, just as you would in your normal daily activities.
- Avoid short cuts, narrow alleys or poorly lit streets. We recommend that guests only visit the downtown shopping areas and other tourist locations.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried out of sight and secured to your person with a strap.
- Leave passports, air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, copy of passport or other government-issued photo ID.
- If traveling by taxi, use only licensed taxi operators.
- In general, use the same level of precaution you would use in any tourist destination.
- Most crimes are easier to commit in dark unlit areas. You should stay out of these types of areas and consider returning to the ship before nightfall. If you stay out at night, please be extra vigilant about your personal safety.
