## Disney Fantasy Fun Facts

The two huge mosaic walls based on the Disney-Pixar animated feature "Finding Nemo" are showcased in Cabanas casual-dining restaurant on Deck 11. Created for the Disney Fantasy by Italian artists, each wall is more than 25 feet wide and more than 8 feet high and contains approximately 194,500 tiles in 200 colors of hand-crafted Venetian enamel.

A team of nine artists created the mosaics based on Disney-Pixar designs depicting the underwater world of Australia's Great Barrier Reef and characters featured in the motion picture.

Sips, sights and sounds of the diverse cities, countries and culture of Europe - that's what's in store. All in one evening and all in one place - aboard the Disney Fantasy! The adult nightlife neighborhood, Europa, aboard the ship features five clubs and lounges that treat the senses to a taste of Ireland, England, France and Italy. Plus, stunning skylines and signature 'sips' of Russia, Greece, Hungary and Spain.

Get ready for a jammin', slammin', splash splashin' good time at the new Disney Channel Poolside Jam Fest at Sea! Imagine all of your favorite Disney Channel music stars coming together for an afternoon of contests, great music, and hot videos all under the Caribbean sun!
