## Disney MAGIC Fun Facts

The chandelier in the Lobby Atrium is called the Festa Venicia 1, titled in honour of our birthplace, Venice.

It was designed and created by Dale Chihouly who is a famous American glass blowing artist who also has installations in the Atlantis resort in Nassau.

The Chandelier is its not actually made of glass. It's a special type of acrylic. Dale Chihouly spent an age trying to find a material that would blow just like his favorite material, glass, but also stay strong and not shatter like glass.

When he was designing and building the chandelier, Dale built a six foot replica of the entire Disney Magic atrium and installed a scale model of the Festa Venicia 1 to ensure that it looked perfect from every angle. He went the whole hog for us!

Some guests may notice that the chandelier wobbles during rougher seas. That's because it is suspended from the ceiling allowing it to centre itself and remain safe. It's not the chandelier wobbling, it's actually US!

On the Disney Wonder, we have the Fest Venicia 2
