## Disney MAGIC Fun Facts

Most cruise ships of this size usually have 10 to 12 different carpet styles or patterns; However, the Disney Magic® has well over 100 different custom themed carpets.

There are over 27,000 signs, plaques and marquees. That's more than double the number used in all of Disney's Animal Kingdom Theme Park.

The Disney Magic's® style is Art Deco. Art Deco is a decorative and architectural style of the period 1925-1940, characterized by geometric designs, bold colors, and the use of plastic and glass.

As you walk up the stairs between stateroom decks 6, 7 & 8 you will notice a progression on the Disney Magic® from rough animation to finished animation.
