St. Maarten Port Information

St. Maarten is an island that is peaceably split between France and the Netherlands. Once the site of numerous sugar cane plantations and military strongholds, the West Indies island of St. Maarten/St. Martin today is a popular tourist destination characterized by festive nightlife, local handicrafts, exotic drinks, decadent shopping and gorgeous beaches. The two territories occupying the island hold the distinction of being the smallest to exist separately on one island.

When Christopher Columbus stumbled upon this island that would become a major tourist draw centuries later, he named it for Saint Martin of Tours. At the time, it was inhabited by Carib Amerindians, but these natives all but perished in subsequent conflicts over the West Indies by English, Dutch, Danes, French and Spanish forces. As the Spaniards brought African slaves to man their battlements, the French and Dutch brought them to work sugar cane plantations, and as the British imported Chinese and East Indians for labor over the centuries that followed, St. Maarten/St. Martin was gradually populated by a rich mix of diverse peoples.

In March of 1648, the French and the Dutch came to an agreement that divided the island of St. Maarten/St. Martin between them, almost evenly. Three centuries later, a popular tourist trade would explode, resulting in both halves of the island being beautified and developed for vacationers.

DOCKING

The ship docks at the Dr. A C Wathey Cruise and Cargo Facility dock in Phillipsburg, which is located on the Dutch side of the island.

It's a Pirate Celebration, me hearties!

Come experience all the pirate fun alongside Captain Mickey Mouse and his famous Pirate Crew.
