Key West Port Information

The U.S. government acquired Key West from Spain in the early 1800s. During those days, most of the isolated islanders made their living as wreckers and pirates, diving for the booty from ships that wrecked on the coral reefs offshore.

In the early 1930's Key West was recognized as a resort town and hotels, restaurants, bars sprang up around the island. For about 6 months business was wonderful until a hurricane tore up the railroad and rendered the island helpless.

The State of Florida and the Federal Government took over and began the work of rehabilitation, particularly directed toward development of tourist facilities and attractions.

The number one business here is tourism and a laid back and of fun. But only in Key West does the sun shine the brightest when it sets.

Everyone gathers for the never planned, always varied Sunset celebration on the Mallory Dock. Once the sun is safely tucked away by jugglers, mimes, musicians and street artists, the city moves to a different beat.

Navy Pier Information:

Disney Wonder will be docked at the Navy Pier in Key West. Complimentary transportation from the ship to Mallory Square will be provided. The pier is a secure area and walking to/from town will not be permitted. Transportation will be continuously throughout the afternoon with the last departure back to the ship at 4:30 p.m.
