## FEATURED VARIETY ACTS THIS WEEK

### Grant Norman

Grant Norman skyrocketed to fame in 1990 becoming a part of the cast in two legendary Broadway shows; Miss Saigon and The Phantom of the Opera. He starred as the Beast in Disney's Beauty And The Beast, a role for which he was nominated for two National Theatre Awards. He later starred as Gaston in the same show on Broadway. He can also be found on the original cast recording of the Off-Broadway hit show Johnny Guitar. Most recently, Grant began his television acting career appearing on the famous television drama Law & Order.

### The Physical Comedy of Michael Holly

Michael Holly has been an audience favorite in Las Vegas and around the world for a looong tiime! There's only one reason for this...he's funny! What more can you ask for, you invite him over to your place...you laugh. Cause and effect, yin and yang, ipso and facto. Need we say more?

### The Unique Music and Visual Effects of AudioBody

Brothers Matthew and Jason Tardy started their performing career in 1994 as young teenagers in a small town in Maine. They were seen by local physical comedian Michael Miclon, who noticed their natural rapport with the audience and invited them to apprentice and tour with him. The apprenticeship opened many doors and a few years later they emerged with an arsenal of audio-visual inventions, including wearable electronic jumpsuits that play music as they move, LED light tubes that are manipulated at high speeds in the dark and countless other unique performance gadgets.

### The Physical Comedy and Hypnosis of Kevin Hurley

The Kevin Hurley Show has amazed audiences all over the world. Kevin's unique stage hypnosis and comedy has been requested by Fortune 500 Companies, Celebrities, Royalty, A former US President, and over 400 College Campuses.

### The Music of Beatles Celebration

"From the Cavern to the Rooftops" is undoubtedly the most genuine live recapturing of the music of The Beatles. The internationally acclaimed theatrically staged concert recreates the Beatles musical journey from 1962 to 1970. Not only do the band stand up to the high standards the Beatles set themselves on stage using all the original instruments, the audience are completely won over and are transported to their own live Beatles show. But what's really authentic, they really are all the way from Liverpool!
