### Cozumel Port Information

Cozumel, Mexico is an invigorating port of call on a Caribbean Cruise vacation. An island and a city off the eastern coast of Mexico's Yucatan Peninsula, Cozumel is known for some of the world's healthiest coral reefs and rarest natural recreation. This island in the Caribbean Sea is an extremely popular destination for scuba-diving and snorkeling enthusiasts.

The Mayans considered the site sacred to the Moon Goddess, Ixchel, and women would make regular pilgrimages there to pay tribute and to wish for fertility in return.

A boom in visitors to the island came after 1959, when the famed Jacques Cousteau publicized Cozumel's coral reefs as among the best in the world for scuba diving. Today, Guests can let their imaginations take flight in the island the Mayans named Cozumel—the "Island of the Swallows"—so long ago.

#### DOCKING

The ship will dock at the Punta Langosta pier. The pier is located downtown, with walk off access right into the city of Cozumel.

#### CURRENCY TRANSACTIONS IN MEXICO

As of September 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some recommended stores in port may restrict the amount of U.S. dollars they will accept for your purchases. Please remember to take your credit card so that you may be able to make purchases ashore.

Aargh you ready to be a pirate? Come spin the "Wheel of Destiny" and capture the Pearl.
