NASSAU

A Guaranteed Adventure!

HISTORICAL OVERVIEW

Nassau is the capital of the Commonwealth of the Bahamas and the largest city on the island of New Providence. Even though it sits on one of the smaller islands, Nassau is home to more than half of the 250,000 people who live in the Bahamas and is one of the island's most charming towns.

Nassau's history is rich with adventure from Indian inhabitants to the pirates that gained control of the island for a brief period of time to economic poverty and its current status as one of the Caribbean's most prominent banking communities.

When Christopher Columbus landed in 1492, some of the Bahamas were inhabited by the Lucayan Indians. The Spaniards who followed the discovery soon abandoned plans to stay when they discovered there was no gold on the islands of the Bahamas.

English Puritans from Bermuda, seeking a

new way of life, came to the islands about 150 years later and settled on Eleuthera. Soon after, a second group settled into New Providence, naming the island after the famous town in Rhode Island. By 1660, all the islands were officially linked by the proclamation of King Charles II.

For the next 35 years, pirates and swash-bucklers dominated the waters around the archipelago. Blackbeard was among the most famous of these. Looting, murders, raiding and burning of ships were the order of business as the governments of these islands stood by, helpless to intervene.

The Spanish government, incensed by the attacks on their galleons and England's indifference, launched an attack from Cuba and burned Charles Town (on New Providence Island) to the ground. A year later, the former capital city was rebuilt and renamed Nassau.

Civilization was restored in the islands

when in 1717, Capt. Woodes Rogers, once a pirate himself, was enlisted as governor and initiated a clean-up, offering full amnesty to all pirates who lowered their flags. Those that refused were destroyed.

Nassau prospered and fell many times over the course of the next 200 years. Before the turn of the century, Henry Flagler came to the Bahamas with the money and power needed to build the island up as a major resort town. World War I, however, stopped travel in the Atlantic and Nassau again suffered economic devastation.

Luckily, prohibition in the U.S. afforded the islands some unusual luck. The first casino opened in 1929 and that same year, Pan Am began service to Nassau from Miami, bringing wealthy American tourists to the island.

Nassau soon emerged as one of the most notable banking centers in the Caribbean and today still enjoys this notoriety.

AT A GLANCE

CAPITAL

Nassau is the capital of New Providence Island, Bahamas.

LOCATION

The Bahamas is made up of more than 700 islands, beginning just 50 miles from Palm Beach, Florida, and extending over 100,000 square miles to the Windward Passage at the edge of the Caribbean Sea. Nassau is on New Providence Island, just 150 miles from the Florida coast.

SIZE

The total land area of the Bahamas is 5,358 square miles, surrounded by 100,000 square miles of water. New Providence is only 21 miles long and 7 miles wide.

POPULATION

The Bahamas has a total population of about 250,000 people. Of these, 139,500 live in Nassau.

LANGUAGE

The official language of Nassau is English.

CURRENCY

The Bahamian dollar is the official unit of currency. U.S. dollars, travelers checks and credit cards are widely accepted.

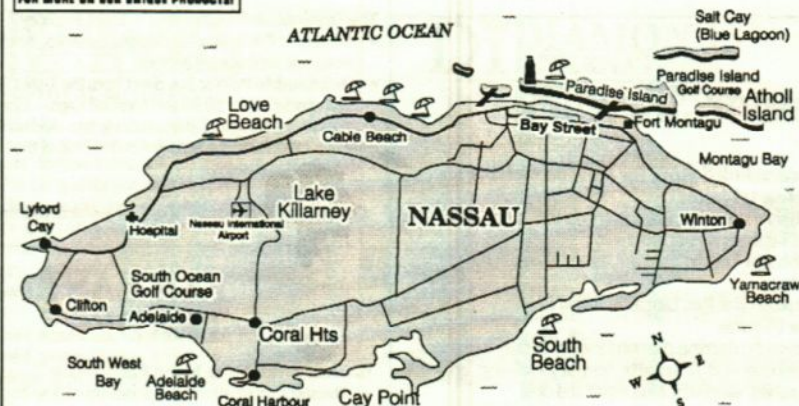

TIME ZONE

Nassau is on Eastern Standard Time.

TOURIST INFORMATION

The Bahamas Tourist Office has information booths near the pier and throughout the city.
