

Disney Cruise Line's Paradise Punch

This cocktail combines pineapple with smooth coconut rum and VeeV, an acai (ah-SIGH-ee) berry grain based liquor. VeeV is essentially an acai berry, 60 proof vodka. You'll notice a unique, tart flavor that's similar to a combination of blueberry and cherry

Ingredients

- 1 part Coruba Coconut rum
- 1 part VeeV
- 5 parts pineapple juice.

Directions

1. Pour ingredients over ice and drizzle grenadine to finish.
