Welcome to Civitavecchia

Civitavecchia is a province and principal port and gateway to Rome located in the central Italian region of Lazio on the Tyrrhenian Sea. Civitavecchia was built during the period between 107-108 BC by order of Traiano and was originally known as Centumcellae.

In the Imperial age the town reached its maximum splendor and became an Episcopate until the period between AD 537 and AD 538. In the 8th century the town fell under the region of the popes and in AD 828 it was conquered by the Saracens. At this time it was transformed into a military base against Rome. In AD 889, the Saracens abandoned the coast and the town became known as Civita Vetula (Civitavecchia).

Civitavecchia means "ancient town" and is known as the Port of Rome. In the beginning, Rome was governed by Kings. Two consuls ruled Rome, who were elected each year by the Senate. Military power and political influence made Rome one of the most important cities in the Western world for several hundred years.

In AD 312, Christianity had been established as the official state religion of the Roman Empire. Eventually, Rome became the center of the Roman Catholic Church and home of the pope.

Please check your tickets for meeting times and locations. Visit the Port Adventure's Desk, Deck 3, Midship for any questions.
