LUGGAGE

Character, color-coded luggage tags are provided to assist you in locating your luggage in the Barcelona terminal. Please write your stateroom number, name, address and number of bags on these tags (e.g. 1 of 2) and remove any previous airline or Disney tags. Attach the new tags to your luggage and place it outside your stateroom between 8:00 p.m. and 10:15 p.m. on the last night of the voyage for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 10:15 p.m. must be hand-carried by the Guest when disembarking the ship.

We suggest that you keep all valuables, such as the items listed below, in your day bag to be kept with you throughout your journey.

- Jewelry
- Cellular phones/ Cameras/ Laptop computers/Tablets

Your luggage will be placed in character, color-coded zones for easy recognition in the port terminal. Once in the terminal, porters will be available to assist you with your luggage. The porters providing this assistance are employed by an independent company, so it is customary to provide a gratuity in recognition of their service.
