Welcome To Katakolon

Katakolon is at the western edge of the Peloponnese peninsula on the west coast of mainland Greece. It is the closest cruise port to the original site of the ancient Olympic Games in Olympia. Due to the deep waters surrounding the port, it makes it an ideal location for large cruise ships.

The quaint little town of Katakolon is the home to almost 600 residents. Greece is a country on the southern end of the Balken Peninsula, located in Southern Europe. Greece is surrounded on the north by Bulgaria, the Republic of Macedonia and Albania; to the west by the Ionian Sea; to the south by the Mediterranean Sea and to the east by the Aegean Sea and Turkey.

Home to the Olympic games from the 8th century BC to the 4th century AD. Olympia was once a bustling center of activity. In the 1800s and early 1900s, great efforts were made to excavate and preserve the area's ruins.
