## Welcome To Athens, Greece

Greece is a country on the southern end of the Balkan Peninsula, located in Southern Europe. Greece is surrounded on the north by Bulgaria, the Republic of Macedonia and Albania; to the west by the Ionian Sea; to the south by the Mediterranean Sea and to the east by the Aegean Sea and Turkey.

The Port of Piraeus is the gateway to the ancient wonders of Athens. Athens is the capital and the largest city of Greece. Athens is also one of the world's oldest cities, as the recorded history spans approximately 3,400 years.

Piraeus is Greece's third largest city in terms of population and its biggest port. It was first settled in the ages of Themistocles, when the Long Walls were built (478 BC), and the town was being laid out to the plans of the architect Hippodamus. It gained considerably in importance when Athens became a naval power. The ancient harbors of Piraeus were Zea and Munichia.

The commercial harbor of Piraeus is one of the most important in the Mediterranean. The city itself with its suburbs is an industrial zone of particular importance for the Greek economy, but nevertheless its center has broad streets, spacious squares, tree-lined avenues, and parks.

 **PORT ADVENTURES** 

Please check your tickets for meeting times and locations. Visit the Port Adventure's Desk, Deck 3, Midship for any questions.
