Grand Cayman Port Information

The Cayman Islands were first sighted by European explorers in 1503, in a wayward voyage headed by Christopher Columbus. Though the two smaller islands were discovered on this fateful trip, the largest of them, Grand Cayman, would escape attention by sailors until 1655, when the area was claimed by the British. For centuries from the time of their discovery, the Cayman Islands would provide a place for ships to come ashore and rest on their journeys into the Caribbean. Crewmen on these ships would routinely replenish themselves on the meat provided by the native population of turtles.

By the 19th century, Grand Cayman was overtaken by pirates. It would take political upheaval and the establishment of a local government under British rule to transform the island into what it is today.

Discover a place that—once a welcome refuge for buccaneers—is today a treasured tourist hotspot. From sparkling surf to the bounty of local shops, whatever your pleasure, you'll find it here.

DOCKING - Please refer to Tender Letter

The ship anchors outside of the port and Guests take a tender to the dock. Tenders are small boats that provide transportation between the ship and the shore. Guests with special needs/disabilities wishing to leave the ship should check with Guest Services for accessible gangways.

TENDERING INFORMATION FOR GRAND CAYMAN

When arriving in Grand Cayman tomorrow, we will be utilizing small boats to transport you to the island shore. This is called a Tender Service, using Tender Boats. This service is provided by a local company in Grand Cayman. In order to make sure every Guest is transported safely, we suggest that you follow the Safety Guidelines below.

SAFETY INSTRUCTIONS:

1. Do not crowd in gangway areas.
2. Have your hands free to use the railings.
3. Wear comfortable, safe shoes since areas might be slippery.
4. Wait for a signal from the Crew Member in charge to board or disembark.
5. Follow instructions of the Crew Members.
6. Use any hand rails and do not jump or run while boarding
7. Sit down while in the tender boat at all times. Do not stand up as the tender boat approaches the pier or the ship. Remain seated in your seat row until you can step directly to the boarding point without standing in line. Keep in mind that there may be sudden movements while the tender boat is along side the ship, due to the motion of the seas.
8. No smoking in the tender or in line.
9. Notify Crew Member if you have any problems or feel uncomfortable.

Please listen to all public area announcements for updates.

ALL GUESTS

You will need your 'Key to the World' card (every Guest) and Photo ID (Guests 18 years and older) ready as you debark the ship. Please follow the tendering process below that pertains to you. We ask that you collect all members of your party before proceeding to Animators Palate, at which point you will be seated until the next available tender boat is ready for boarding.
