An Overview of St Kitts

The Federation of Saint Christopher and Nevis located in the Leeward Islands, is a federal two-island state in the West Indies. It is the smallest sovereign state in the Americas, in both area and population. The capital city and headquarters of government for the federated state is Basseterre on the larger island of Saint Christopher. The smaller island of Nevis lies about 2 miles southeast of Saint Kitts, across a shallow channel called 'The Narrows.' To the north-northwest lie the islands of St Eustatius, Saba (the Netherlands), Saint Barthélemy, St. Maarten and Anguilla. To the east and northeast are Antigua and Barbuda and to the southeast is the small-uninhabited island of Redonda and the island of Montserrat, which currently has an active volcano.

Lush and luxuriant, the exotic tropical island nation of St. Kitts and Nevis is a romantic paradise. St. Kitts' wonderful beaches remain relatively crowd-free and nature lovers delight in seeing lava formations, tropical forests, lagoons and underwater marvels while snorkeling or diving. Among more than 200 historical sites, former plantation homes now offer elegant accommodations. Eco-rambles, bio-tours and climbing are Nevis' attractions.
