HAPPY BIRTHDAY MICKEY MOUSE

St. Thomas Port Information

Once largely occupied by Dutch-owned sugar cane plantations and pirates of the Caribbean, St. Thomas and St. John of the U.S. Virgin Islands are some of the most popular tropical tourist destinations in the world. A destination that boasts so many sites for sport, relaxation and leisure has a culture that is still influenced in ways by its agricultural and native past.

Two-thirds of the island of St. John, a short ferry ride from St. Thomas, is a National Park. Not only is this part of the island the most beautiful it is also the most serene, surrounded by shimmering bays and beaches.

A place so celebrated today for its pristine tranquility and peaceful way of life was—for 150 years—a notorious pirate post before the islands were conquered by the Dutch West Indian Company.

The islands have seen a steady rise in tourism since, and today, there is an entire world of leisure and adventure to explore on St. Thomas and St. John.

It's a Pirate Celebration, me hearties!
Come experience all the pirate fun alongside Captain Mickey Mouse and his famous pirate crew.

An Overview of St. Thomas

St. Thomas covers 32 square miles of hilly terrain. Crown Mountain at 1,550 feet and Signal Hill at 1,505 feet are the highest points. The road that cuts through this mountain range affords incredible vistas to both sides of the island, even stretching across the crystal water to the neighboring U.S. and British Virgin Islands. Inland, you will see rolling green hills encompassed with winding stone walls, splashed with colors of flaming hibiscus and the magenta of the bougainvillea. St. Thomas typifies a prosperous Caribbean island with postcard images of delightful shops, winding streets, incredible beaches and old world charm. Its picturesque harbor is the busiest in the Caribbean. The U.S. Virgin Islands hosted over 2.6 million visitors last year.

There is no trace of the indigenous "Indian" population that lived in the islands when European colonization began. Today, the island inhabitants are descended primarily from African people of the West Indies. There are people from almost every island in the Caribbean living in the Virgin Islands: Dominicans, Haitians, Puerto Ricans, Trinidadians and Jamaicans.

Docking/Anchorage: The ship docks at Havensight Mall & Pier. If the ship drops anchor, you will be transported ashore by tender.
