Barcelona, Spain

Barcelona is the capital of Catalonia and the second largest city in Spain, after Madrid. It is also the largest metropolis on the Mediterranean Sea. It is located on the Mediterranean coast between the mouths of the rivers Llobregat and Besos and is bounded to the west by the Serra de Collserola.

Barcelona is today one of the world's leading tourist, economic, trade fair/exhibitions and cultural-sports centers, and its influence in commerce, education, entertainment, media, fashion, science and the arts all contribute to its status as one of the world's major global cities. Indeed, at the same time, the city was ranked Europe's fourth best city for business and fastest improving European city, with growth improved by 17% per year. Barcelona is the transport hub with one of Europe's principal shopping ports.
