Welcome To Mykonos, Greece

Mykonos is one of the Cyclades, a group of Greek islands in the Aegean Sea. Mykonos' early human inhabitants were Carians, followed by Ancient Egyptians, Phoenicians, Cretans and Ionians.

Mykonos is, with Santorini and Crete, the most famous and popular Greek island and attracts thousands of visitors every year.

The Greek Island is famous for its cosmopolitan atmosphere, its exciting nightlife that is compared to Ibiza, its picturesque Cycladic capital full of Mykonian whitewashed houses and blue domed churches, its luxury hotels, the sightseeings and its magnificent sandy beaches.

In ancient times, Mykonos, due to its proximity to the then highly populated island of Delos (situated about 2 kilometres away), became very important as a supply island and possibly as a getaway location for Delian citizens.
