

RACE ETIQUETTE

The race staff would like to thank you in advance for considering these etiquette tips as you enjoy the events.

- Please pay attention to pre-race instructions – both print and verbal. What you read and hear will not only help guide you through the course but will also keep you safe.
- Wear your race bib on the front of your shirt and SMILE! Photographers will be taking pictures of you throughout the race.
- Please enter your correct start corral. This will ensure that you are running with people who have a similar pace.
- Run or walk no more than two abreast. Other runners will want to get by you. If you are walking in a group, please start in the last corral.
- If you want to run with a friend and they are in a different corral, the faster of the two can move back to the slower corral.
- If you are stopping at a water station, move all the way over to the table. Grab water and move away from the table so that others may get water, too.
- Move to the side if someone behind you says “Excuse Me” or “Coming Through”.
- Feel free to shout words of encouragement to other runners. You will hear words of encouragement in return.
- When you are approaching the finish line, you may see loved ones cheering you on. Please do not encourage anyone to join you in the finish line stretch. Your support team is very important, but please communicate that the race course and finish area is for registered participants and staff only.
- Enjoy the post-race refreshments, but remember that others will want to enjoy the goodies too.
- Celebrate! Have a great race!
