FEATURED VARIETY ACT THIS VOYAGE

KEVIN JOHNSON

Kevin has been a ventriloquist nearly all his life. It all started when he was 9 years old, after his parents gave him his first pull-string dummy for Christmas. Having no formal training, he taught himself the art of ventriloquism over a 4 year period.

He developed his technique from a parrot. Kevin was intrigued that parrots could speak so clearly without the use of lips. So he re-learned how to speak all together with the use of his tongue and his throat. Is it any wonder that his two closest friends, Clyde and Matilda are birds?
