### San Juan Port Information

With its cobblestone streets, brightly colored buildings and a history that stretches back to the Conquistadors, San Juan is a popular tourist destination. The oldest city under U.S. jurisdiction, it offers a warm climate throughout the year, with temperatures sizzling in the summer. Mountains cover over half of the island terrain, but the geography of Puerto Rico also includes rain forests, deserts and caves.

Old San Juan is the oldest settlement within Puerto Rico and is the historic colonial section of San Juan, Puerto Rico. In 1508, Juan Ponce de León founded the original settlement. In 1509, the settlement was abandoned and moved to a site which was then called "Puerto Rico" (meaning "rich port"). In 1521, the name "San Juan" was added, and the newer settlement was given its formal name of "San Juan Bautista de Puerto Rico."

Prior to the 19th century the area outside the city walls occupying the east side of Old San Juan was almost uninhabited. In 1865, the government of San Juan approved a resolution promoting the city expansion across the land of Puerta de Tierra. In 1897, the demolition was officially started and by 1899, the population of Puerta de Tierra had risen to 5,453 while the area comprising the old city had a population of roughly 18,000.

## SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
