Ensenada Port Information

Ensenada is the third largest city in the Mexican state of Baja California. Here you will find a sun soaked paradise of pristine beaches, turquoise blue water and rugged mountainous terrain.

Ensenada was first discovered in 1542 by Portuguese navigator Juan Rodriguez Cabrillo. Sixty years later, General Sebastián Vizcaíno arrived at the bay and named it "Ensenada de Todos los Santos" in honor of All Saint's Day.

The first European settlement in Ensenada was established in 1804, but it was during the 1870s that the area began to prosper due to the discovery of gold at Real del Castillo. In 1882, Ensenada was officially incorporated and named the capital of the Baja territory. In the 1940s, Ensenada developed into one of Mexico's leading Pacific ports for exports in support of the agricultural expansion in the nearby Mexicali Valley.

Today, Ensenada is a popular tourist destination brimming with museums, missions, wineries, parks, beaches, bars and unique shops.

CURRENCY TRANSACTIONS IN MEXICO

As of September 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some recommended stores in port may restrict the amount of U.S. dollars they will accept for your purchases. Please remember to take your credit card so that you may be able to make purchases ashore.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
