## Welcome to Oslo

### The Green City

Stirring up visions of burly Norsemen, enchanted forests and Nordic princesses, Norway's capital offers all that and then some. Located at the head of an inlet known as the Oslofjord and at the foot of some deep and enchanting woods, Oslo is surrounded in nature, connecting this modern and progressive city inextricably to its Viking past.

Ninety-five percent of Norway is covered by forest with more than seventy percent consisting of mountains, lakes, moorland and glaciers, the likely reason why Norwegian adoration of nature is a vital ingredient in the country's national identity. Even in the city center, the nearest park is never more than a few blocks away.

Many of Oslo's attractions can be explored on foot from the docks, with Downtown an easy 20-minute walk. And not only is the city home to some fascinating and enlightening museums and architecture, it can also boast the title of the gourmet capital of Scandinavia.

The combination of city life and easy access to outdoor activities makes Oslo a unique destination. Norway has been producing great explorers ever since the Viking Age, so here's your chance to admire the vessels and equipment used in some of their great journeys and do some exploration of your own.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
