CANADA DAY

## Welcome to Kristiansand

The Coolest Riviera

Breathtaking Kristiansand, the capital of Southern Norway, is the fifth largest city in Norway and is situated on the very south coast, facing the European continent and surrounded by water on three sides.

Kristiansand was first settled in the early 5th century, with its modern iteration founded by King Christian IV in the mid-1600s. Home to many cultural, music, and arts festivals, the Norwegian city pulses with creative energy. What is today a modern trade, cultural and communications center, Kristiansand has long been a favorite summer holiday spot for Norwegians, with the sea and surrounding fjords proving the perfect setting for recreation like fishing and sailing.

For concentrated activity and easy sightseeing, the whole town center fits within one square kilometer. Perhaps the greatest of all the attractions in Kristiansand is Kvadraturen, a lively, bustling part of the city center with a network of pedestrian precincts. Different kinds of shops line the pavements and streets. At the central market, stallholders offer a colorful display of their locally grown fruits and vegetables. Also, be sure to visit Skippergata, a side street with smaller boutiques, charming coffee shops and cafés serving home-made breads and pastries.

From its busy harbor to picturesque wooden houses to its modern arts center, Kristiansand offers opportunities to mingle with the locals and soak in the culture and history of this quaint seaside city.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
