

Hello!

It's me, Anna. Elsa and I are so excited to be traveling with you on your exciting voyage. It is going to be amazing. There will be new friends, parties, dancing and games!

Actually, speaking of games, how about we have a little fun?

It involves chocolate!

Ok, this is a game I played around the castle and I managed to perfect it over the years. I can't wait to share it with you.

Kristoff likes to call it: Anna's Chocolate Chase Scavenger Hunt.

You have to play - Queen's Orders!

It's going to be totally fun!
