St. Maarten Port Information

St. Maarten is an island that is peaceably split between France and the Netherlands. Once the site of numerous sugar cane plantations and military strongholds, the West Indies island of St. Maarten/St. Martin today is a popular tourist destination characterized by festive nightlife, local handicrafts, exotic drinks, decadent shopping and gorgeous beaches. The two territories occupying the island hold the distinction of being the smallest to exist separately on one island.

When Christopher Columbus stumbled upon this island that would become a major tourist draw centuries later, he named it for Saint Martin of Tours. At the time, it was inhabited by Carib Amerindians, but these natives all but perished in subsequent conflicts over the West Indies by English, Dutch, Danes, French and Spanish forces. As the Spaniards brought African slaves to man their battlements, the French and Dutch brought them to work sugar cane plantations, and as the British imported Chinese and East Indians for labor over the centuries that followed, St. Maarten/St. Martin was gradually populated by a rich mix of diverse peoples.

In March of 1648, the French and the Dutch came to an agreement that divided the island of St. Maarten/St. Martin between them, almost evenly. Three centuries later, a popular tourist trade would explode, resulting in both halves of the island being beautified and developed for vacationers.

DOCKING

The ship docks at the Dr. A C Wathey Cruise and Cargo Facility dock in Phillipsburg, which is located on the Dutch side of the island.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
