Welcome to Ketchikan

Ketchikan was originally established as a fishing camp back in 1883, when a salmon saltery was built by a man named Snow. The city became an important mining supply center following the discovery of gold and copper in the region.

To support the growth of the city, the logging industry began to flourish.

Ketchikan Spruce Mills started operation in 1903 and the city became the hub for logging activities and supplies. The mill operated for over 70 years.

Today, the economy is based on tourism and fishing and the city is known as the "Salmon Capital of the World." Ketchikan is located in Southeast Alaska on Revillagigedo Island along the Tongass Narrows, at the foot of 3,000-foot Deer Mountain. Ketchikan is only accessible by boat or plane.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
