Welcome to Naples, Italy

Naples is located in Southern Italy in the region of Campania. It sits on the coast of the northern edge of the Bay of Naples, which is dominated by Mt. Vesuvius. Naples was founded by the Greeks in 600 BC and conquered by the Romans in the fourth century BC.

The city of Naples prospered under the rule of the Roman Empire and became known for its beautiful coastline and thermal spas. After the fall of the Roman Empire, the city came under an Independent Duchy of Byzantium and further developed its economic and cultural affairs.

The Normans followed shortly after and made Naples part of the Kingdom of Sicily. When Naples was taken under Aragon control, it flourished in cultural and artistic endeavors that created churches and monuments, making Naples a popular meeting point for artists.

During the following centuries, the city was ruled by the Spaniards and in 1806 Napoleon passed the throne to his brother Joseph Bonaparte. Between 1806 and 1815, the city was influenced by the French. In the 1860's, the city was conquered by the Garibaldines and was handed over to the king of Sardinia.

Today, Naples is filled with extraordinary works of art and architecture in the classical Greek and Roman styles and is one of the world's greatest cultural centers.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
