Welcome to Livorno, Italy

Immerse yourself in the rich, centuries-old Italian Culture and Cuisine. Breathe in the fresh coastal air as you take in the exemplary Italian surroundings of this port. First founded in 1070, Livorno also provides a number of breathtaking sites—from Venetian-style canals to grand religious architecture. Historically, Livorno's geographical placement made it ideal as the site of a coastal fortress protecting the city of Pisa.

Today, one can visit Fortezza Vecchia—or simply, the Old Fortress—to get a panoramic view of the city while getting a firsthand look at its storied past. Livorno also offers a number of restaurants with fresh and authentic Italian dining. Many consider the city's seafood to be the best on Italy's West coast. Food lovers shouldn't pass up the opportunity to venture to the Mercato Centrale—a bustling market where locals and tourists alike can take in the gorgeous late-19th century architecture while enjoying local meats, cheeses, fish and other Italian specialties.

From its astonishing architecture to its delectable cuisine, Livorno offers an authentic and charming look at Italian life throughout history. Soak up sights, sounds and tastes of Italy when visiting this special seaside city.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
