GRAND CAYMAN, CAYMAN ISLANDS

On the eve of their graduation, three best friends go on a magical journey down the wishing well. A host of Disney characters help them discover the connection between children who are becoming adults, and adults who stay in touch with being a kid at heart.

## WALT DISNEY THEATRE DECK 3 & 4, FORWARD

6:15 pm & 8:30 pm

As a courtesy to all Guests, we kindly advise that the saving of seats is not permitted in the Walt Disney Theatre.

Assistance available at the entrance to the Walt Disney Theatre 30 minutes prior to show time.

## Grand Cayman Port Information

The Cayman Islands were first sighted by European explorers in 1503, in a wayward voyage headed by Christopher Columbus. Though the two smaller islands were discovered on this fateful trip, the largest of them, Grand Cayman, would escape attention by sailors until 1655, when the area was claimed by the British. For centuries from the time of their discovery, the Cayman Islands would provide a place for ships to come ashore and rest on their journeys into the Caribbean. Crewmen on these ships would routinely replenish themselves on the meat provided by the native population of turtles.

By the 19th century, Grand Cayman was overtaken by pirates. It would take political upheaval and the establishment of a local government under British rule to transform the island into what it is today.

Discover a place that—once a welcome refuge for buccaneers—is today a treasured tourist hotspot. From sparkling surf to the bounty of local shops, whatever your pleasure, you'll find it here.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
