Welcome to Castries, St. Lucia

St. Lucia is a volcanic island located in the Eastern Caribbean chain of the Windward Islands of the Lesser Antilles. Boasting jagged peaks, lush rainforests and breathtaking blue ocean water, St. Lucia offers an exciting and relaxing adventure to all who visit.

Originally settled by the Arawak Indians in 200 A.D. and then hundreds of years later by the Caribs, St. Lucia was originally named "Iouanalao" and "Hewanorra," meaning "Island of the Iguanas." In the 17th century, the British attempted to colonize the island, but it wasn't until 1746 that the French proved successful in forming a pact with the Caribs and creating the first European settlement. In 1814, the British gained ownership of the island.

In the 19th and early 20th centuries, the economy thrived on sugar plantations and later banana plantations, and in 1979 the island became a country unto itself under the British commonwealth.

Please check your tickets for meeting times and locations. Visit the Port Adventure's Desk, Deck 3, Midship for any questions.
