Welcome to Nawiiliwili, Kauai

Explore the island of Kauai, a natural wonderland filled with untouched beaches, lush jungles, idyllic waterfalls and sweeping landscapes. The dramatic Waimea Canyon is often described as "The Grand Canyon of the Pacific," and while it is truthfully only half as deep as the Arizona landmark, it does rival its majestic beauty.

Nawiiliwili provides access to Kauai's 50-miles of palm-tree-lined beaches. Further inland, the remarkable landscape features the dramatic peaks of Mount Kawaikini and Mount Waialeale—both soaring over 5,000 feet up from the ocean. Estimated to be over 6 million-years-old, the distinctive landscape is also the oldest of the major Hawaiian islands. Water and wind have used that time well to sculpt the island into a hauntingly gorgeous work of art.

THE HISTORY OF THE MAYPOLE

In Scandinavia, the maypole is primarily used in celebrations of Midsummer, or the Summer Solstice. Festivities typically include dances, bonfires, feasts, and midnight parties and swims. The maypole is a cross-shaped wooden pole ornamented with flowers and leaves. Nine long ribbons or streamers hang from the two rigs on either side for the purpose of weaving them together. According to Norse mythology, the maypole represents the large cosmic tree that connects the nine mythological worlds. The weaving ceremonies often include choreographed dances and symbolize harmony.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
