FALMOUTH OVERVIEW

Jamaica's fourth and newest cruise port is located in the north coast town of Falmouth, the capital of Trelawny parish. Well positioned between the popular ports of Ocho Rios and Montego Bay, Falmouth's two-berth port is a triangular peninsula that can accommodate the largest cruise ships in the world within a very short walk of the city's historic Georgian sights.

During its heyday, Falmouth was one of the busiest ports in Jamaica and the send-off point for sugar, molasses, rum and coffee bound for England. In return, the English tall ships arrived in Falmouth with African slaves and other staples of 18th-century colonial life. Falmouth's economic status began

to decline in the 1800's after the end of slavery and the town reverted to a sleepy seaside village far off most tourists' maps.

The port held its grand opening in March 2011. Many Jamaicans felt that Falmouth – home to one of the Caribbean's largest colonial historic districts, with its collection of intact Georgian homes – had long been ignored. The arrival of the Falmouth cruise port has led to a local renaissance of sorts in the greater town, with some of the old Georgian homes in the erstwhile economic shipping powerhouse being restored to their former glory.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require Guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
