Cozumel Port Information

Cozumel, Mexico is an invigorating port of call on a Caribbean Cruise vacation. An island and a city off the eastern coast of Mexico's Yucatan Peninsula, Cozumel is known for some of the world's healthiest coral reefs and rarest natural recreation. This island in the Caribbean Sea is an extremely popular destination for scuba-diving and snorkeling enthusiasts.

The Mayans considered the site sacred to the Moon Goddess, Ixchel, and women would make regular pilgrimages there to pay tribute and to wish for fertility in return.

The arrival of the Spanish in 1518 brought disease and devastation, nearly wiping out the Mayans and leaving the island all but deserted by 1570. It was an outpost for pirates until 1848, when warfare in the Yucatan drove refugees to settle there. A boom in visitors to the island came after 1959, when the famed Jacques Cousteau publicized Cozumel's coral reefs as among the best in the world for scuba diving.

Today, Guests can let their imaginations take flight in the island the Mayans named Cozumel—the "Island of the Swallows"—so long ago.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
