STAR WARS DAY AT SEA

Fun Facts

4 UNUSED STAR WARS CONCEPTS THAT WOULD'VE CHANGED EVERYTHING

Everyone Gets a Lightsaber

In Lucas' earliest drafts, these weapons weren't the exclusive domain of Force-sensitives. In fact, they were about as run-of-the-mill as blasters — no sworn oaths or years of discipline required. Lucas scrapped the idea, since lightsabers, in the end, belong in one place and one place only: at a Jedi or Sith's side.

Han Solo the Extra-Terrestrial

In the Dark Horse Comics adaptation of Lucas' initial draft for "The Star Wars," Solo appeared as a member of a green-skinned reptilian race called the Ureallians.

Boba Fett, Nameless Supertrooper

It may be surprising to learn that he, in his early conceptual stages, was to be one of five nameless offshoots of the stormtrooper corps known as "supertroopers." McQuarrie's numerous concepts map the evolution of variations on the traditional stormtrooper helmet to Fett's signature T-visor.

R2-D2 Speak Like Man

In the rough-draft, the little astromech was every bit a vocal fusspot as his gold-plated counterpart. Just think, we were nearly deprived of ever hearing his electronic shrieks of terror! Waaaaaooooooooo!

Facts are from StarWars.com

STAR WARS SUMMON THE FORCE

DECK PARTY

Gather with fans up on deck and Summon the Force during this epic stage show, featuring a grand fireworks finale set to the unforgettable music of Star Wars!
