Key West Port Information

The U.S. government acquired Key West from Spain in the early 1800s. During those days, most of the isolated islanders made their living as wreckers and pirates, diving for the booty from ships that wrecked on the coral reefs offshore. In the early 1930's Key West was recognized as a resort town and hotels, restaurants, bars sprang up around the island. For about 6 months business was wonderful until a hurricane tore up the railroad and rendered the island helpless. The State of Florida and the Federal Government took over and began the work of rehabilitation, particularly directed toward development of tourist facilities and attractions.

The number one business here is tourism and a laid back kind of fun. But only in Key West does the sun shine the brightest when it sets.

Everyone gather for the never planned, always varied Sunset Celebration on the Mallory Dock. Once the sun is safely tucked away by jugglers, musicians and street artists, the city moves to a different beat.

Navy Pier Information:

The Disney Wonder will be docked at the Navy Pier in Key West. Complimentary transportation from the ship to Mallory Square will be provided as the pier is a secure area and walking to/from town will not be permitted. Transportation will run continuously throughout the afternoon with the last departure back to the ship at 4:30 pm.

THE HISTORY OF THE MAYPOLE

In Scandinavia, the maypole is primarily used in celebrations of Midsummer, or the Summer Solstice. Festivities typically include dances, bonfires, feasts, and midnight parties and swims. The maypole is a cross-shaped wooden pole ornamented with flowers and leaves.

Nine long ribbons or streamers hang from the two rigs on either side for the purpose of weaving them together. According to Norse mythology, the maypole represents the large cosmic tree that connects the nine mythological worlds. The weaving ceremonies often include choreographed dances and symbolize harmony.

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
