St. George's, Grenada Port Information

Known as the "Island of Spice," Grenada is an island getaway you may never want to leave.

Boasting rolling hills, rock-strewn terrain, pristine beaches and miles upon miles of unspoiled rainforest, this exotic island in the southeastern Caribbean Sea offers something for everyone.

Originally home to the Arawaks and then later to the Carib Indians, Grenada was "discovered" by Christopher Columbus in 1498. Due to the strong defense by the Caribs, it wasn't until the 17th century that the French finally settled the island. Battles waged between France and Britain until the British formally gained possession of the land in 1783. The British ruled the land until 1974 when Grenada gained independence.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
