Martinique Port Information

With its uniquely European flair, world-famous beaches and mountainous landscape, the island of Martinique has been charming visitors for years. As an overseas region of France, its citizens are French, the currency is the Euro and the official language is - you guessed it, French! Martinique is justifiably famous for its vibrant blend of Gallic and Caribbean culture, food and style - and jaw-dropping natural beauty.

Things to See and Do:

Martinique offers all the pleasures of the Caribbean imbued with a delightful French flavor. Situated in the Lesser Antilles of the Windward Islands, with Dominica to the north and Saint Lucia to the south, Martinique measures 431 square miles. The north of the island is rugged and the verdant slopes of the still-active volcano Mont Pelée offer spectacular hikes through tropical rainforests. Volcanic ash created the dramatic black sand beaches in the north, which offer a stark contrast to the dazzling white sand beaches of the south. The capital city and port of Fort-de-France, on the central west coast, is bursting with charming cafés, fantastic shopping and cultural and historic sites.

Past and Present

When you visit this tranquil island today, it's hard to believe it was once wracked by centuries of dramatic naval battles, devastating hurricanes and apocalyptic volcanic eruptions. The earliest inhabitants of the island were Arawak and Carib peoples, who settled the island over 2,000 years ago. Christopher Columbus landed on Martinique in 1502, but the Spanish had little interest in the island's possibilities. Instead, the French established control of the island as a colony and by the 17th century were busy constructing military forts and sugar plantations. The British Royal Navy finally captured the island in 1763. However, the sugar trade was so valuable to the French that they gave Canada to the British in exchange for Martinique and Guadeloupe. Today, Martinique, the "island of flowers," is a dream destination for visitors from around the world.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
