## Puerto Vallarta

### Port Information

Spanish explorers first landed on the shores of Banderas Bay during the 16th century.

The area became known as a safe haven for ships to find shelter from pirates and stock up on needed supplies such as food, water and firewood.

In 1918, The Montgomery Fruit Company was established north of Vallarta. The company transformed 70,000 acres into banana plantations used for exportation.

A railroad was built to bring the product from the farms to the coast and the area saw a tremendous amount of growth.

The area got its first taste of tourism in the 1930s when those who visited the area kept returning year after year.

Each year the number of tourists grew as word of the area's beauty and tranquility spread.

By 1950 the area was known internationally, but it wasn't till the release of the film *The Night of the Iguana* (filmed in 1963) that tourists flocked to the area which was officially established as a city in 1968.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
