SHANGHAI DISNEY RESORT GRAND OPENING

Welcome to St. Peter's Port

The islands of Guernsey and the other Channel Islands represent the last remnants of the medieval Dukedom of Normandy, which held sway in both France and England. A British crown dependency, the 12-mile long by 5-mile wide island of Guernsey boasts mild winters and warm summers, perfect for everything from coasting, to kayaking, to windsurfing.

There's plenty to see and do here – explore Neolithic sites, tour the stoic Castle Cornet, which has stood guard over the town for 800 years or visit ancient burial sites like Le Creux es Faies, a tomb that was once believed to be the gateway to a magical fairyland.

Famed French writer Victor Hugo, exiled here, described the Channel Islands as “fragments of France which fell into the sea and were gathered up by England.” He was struck by the harshness of its cliffs and the gentleness of the inland scenery.

In Guernsey, literary lovers can walk in the footsteps of this celebrated author of the 19th century and experience his inspiration for many of his fine works, including *Les Misérables* and *Toilers of the Sea*.

Stunning scenery, fabulous food and a rich history mark this charming island and offer a treasure trove of exploration and discovery. Also, keep an eye out for the distinctive Guernsey cows.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. - Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
