## Welcome to Newcastle

Once a major shipbuilding and manufacturing hub during the Industrial Revolution, Newcastle upon Tyne is now a center of business, arts and sciences.

Newcastle was founded around 2,000 years ago as a Roman fort called Pons Aelius and the city has now re-invented itself as one of the trendiest places in the United Kingdom. Against a dramatic backdrop of Victorian elegance and industrial grit, this fiercely independent city harbors a spirited mix of heritage and urban sophistication, with excellent new art galleries, exceptional restaurants serving foods from around the world and, of course, interesting bars; Newcastle is renowned throughout Britain for its energetic nightlife.

While these amenities are certainly a draw for the hipsters and culture-seekers, the city retains deep-rooted traditions, embodied by the no-nonsense, likeable locals that make Newcastle a truly special place to visit. "Geordies," as they are often called, are united through history, adversity and that impenetrable dialect - the closest language to 1500-year-old Anglo-Saxon left in England - embodying the pride, industriousness and resilient spirit of their city.

World-class culture, vibrant nightlife, award-winning dining, inspiring heritage, fantastic shopping and acclaimed architecture are linked here, as nowhere else, by the famous Geordie spirit.

The city also houses some of the most gorgeous Georgian architecture to be found in Europe, with one magazine naming Grey Street as being possibly "the most beautiful street in the world."

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
