Welcome to Liverpool

"A City of Culture, Heritage & People"
 The name Liverpool means "muddy water," a term attributed to the color of the River Mersey, which the city was built beside. However, the character of Liverpool is anything but. A tough town with a reputation for wit and an obsession for football, Liverpool also has an impressive cultural heritage: it has more listed museums than any other city outside London, its galleries are among the best in the country, and it has recently undergone an impressive program of urban regeneration. From exceptional architecture to cobbled pathways, Georgian styles and green parks, the city is a beautiful place to explore.

Liverpool's fortunes have historically been tied to shipping but imports and exports like sugar, spice and tobacco pale in comparison with Liverpool's most famous export of all - the Beatles. From Strawberry Fields to Penny Lane, this historic maritime city offers a comprehensive look at the Fab Four.

In fact, you can walk down Penny Lane, one of the world's most famous streets, made legendary by the Beatles song of the same name and just ten minutes from the city center. It's your chance to wander along "beneath blue suburban skies" and see if you can spot the "barber showing photographs."

This is a city with a vibrant music scene, enjoying the designation as a UNESCO City of Music, so pick up the beat and get in rhythm for a destination like no other.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
