Disney MAGIC Fun Facts

Most cruise ships of this size usually have 10 to 12 different carpet styles or patterns; However, the Disney Magic® has well over 100 different custom themed carpets.

There are over 27,000 signs, plaques and marquees. That's more than double the number used in all of Disney's Animal Kingdom Theme Park.

The Disney Magic's® sister ship the Disney Wonder® is Art Nouveaux in style but the Disney Magic® is Art Deco. This style of decoration and architecture is from the late 19th and early 20th centuries, was the springboard for Art Deco. Art Nouveaux has a more organic flowing, almost sinuous use of lines that often depict flowers and leaves.

As you walk up the stairs between stateroom decks 6, 7 & 8 you will notice a progression on the Magic from rough animation to finished animation.
